

Lost property

- Any lost property found after a class will be taken away (or stored in the office at The Aqua Babies Centre), recorded in a log book (both at the main office and at the aqua babies centre if left there) and stored by the teacher until the next lesson.
- If not requested from a member within two weeks it must be stored at the Aqua Babies office (or at the Aqua Babies Centre if lost there) for a maximum of 1 months from the date it was found.
- Members are asked to notify the office should they lose or forget anything rather than contacting the school.
- Aqua Babies, its teachers and the school cannot be held responsible for the loss or damage of any personal belongings as laid down in our terms and conditions.
- For safety reasons we have a NO JEWELLERY policy and we advise members to leave all valuables at home. Schools tend not to have lockers available.
- On collecting any lost property members will be requested to sign for its release. Any lost property not claimed after 1 month will be disposed of appropriately.
- All odds and ends lost property such as shampoo bottles, odd socks, dummies etc will be disposed of at the end of the day.
