

PHOTOGRAPHY AND VIDEO POLICY

No filming, pictures (including mobile phones) may take place in changing areas.

Aqua Babies does not allow any underwater filming or photography during classes.

Photography from the designated viewing area by someone known to a member in the class is permitted within the restrictions below:

The person filming or taking pictures must not be in the water, must seek to take pictures of only the member they are with, must not disturb the class in any way and must not wander around the pool.

Should any baby or child become upset due to the flash or for any other reason the filming must stop.

Any member who is for any reason unhappy with the photography or filming may ask for it to cease.

Any classes taking place in health clubs or Hotels must follow the rules of the facility first and then Aqua Babies rules second (should filming/ pictures not be allowed the Aqua Babies policy will be overridden by the hotel or health club).
